“ Bill was a wonderful person, he always knew me as Elmer's daughter and always had a story to tell about something he, Dad, Leonard and Ralph had done growing up. My Dad always talked about the Pohlman boys, having grown up with them in Meppen, he also would tell lots of stories. Dad wanted me to pass on his sympathy to the Family and Friends of Bill, I hope to bring him to the Funeral Home, but him being a double amputee poses a few difficulties. We will remember Bill and you in our thoughts and prayers.
