# Tribute Wall

“ I met Bob around 2005 at Hardees in North Alton. That was one of his hang-outs and happened to be where me and my 5-year old daughter would go for breakfast on Saturday's. We enjoyed his company. He knew my mom from his days at Owens-Illinois and knew my father-in-law, I guess, from his carousing-around days. He was a great conversationalist, master woodcarver, heavy smoker and fine gentlemen.
