“ Gloria,
You have our deepest sympathy. Ralph & Yvonne went camping with us every Memorial weekend for years with a large group from Alton 1st Southern Baptist Church. We always had so much fun. Altho they were the oldest in the group they didn't act it. We have missed them for many years now.

We farmed for Ralph and Yvonne for many years. We played cards and bowled. Met them in Colorado and camped together for a few days. Yvonne was always a gracious hostess and we enjoyed visiting with her.
Our sympathy and prayers to the family.

“Gloria,
Ralph was my uncle by marriage to his first wife, but he and Yvonne came to my house for Thanksgiving and various other meals over the years. She was always good to me, and I know you will miss her dearly. You and your family have my deepest sympathies.
